IV. Special Order of the Day
A. Introduction – Leigh Cobb
– Leigh Cobb invited Ruth Parish from the ECU Brody School of Medicine Outpatient Pharmacies to speak to the Staff Senate after it was mentioned during the retreat in August that a majority of Senate members were unaware of the programs available to ECU Employees through the ECU Brody School of Medicine Outpatient Pharmacies.

B. Speaker - Ruth Parish, Director of Pharmacy, ECU Brody School of Medicine Outpatient Pharmacies
- Ruth Parish has been with the Pharmacy Services Division of the Brody School of Medicine for the past three years. She was the manager of the Brody and FPC Outpatient Pharmacies prior to becoming the Director of Pharmacy Services. She manages three pharmacies at Brody Outpatient Clinic, Family Practice Clinic, and Leo Jenkins Cancer Center. The Brody Outpatient and Family Practice Center pharmacies are retail pharmacies. Ruth informed Senate members that any ECU Employee could use the Brody School of Medicine pharmacies even if their prescriptions came from outside physicians. She said that currently all three pharmacies have an integrated voice response system for ordering prescriptions. All three have e-mail, fax, and Logician addresses for easy access. Co-pays for prescriptions are the same as other pharmacies; cash prices for prescriptions are comparable to outside pharmacies but over-the-counter products cost much less than area pharmacies. The list of over-the-counter products available at the BSOM Outpatient Pharmacies will be expanding over the next few months. Ruth also said that she hopes to begin a delivery service where ECU Employees who order their prescriptions through the Brody School of Medicine pharmacies can have their prescriptions delivered to them at their office on-campus. To be eligible for this service, employees would have to pre-register with the pharmacy and provide a delivery address and a credit card. The prescriptions would be...
delivered next day in a plain white paper bag with just the employee’s name on the outside. Ruth also talked about a new promotion for ECU Employees that she hopes to begin in December in which an employee would receive a $25.00 food coupon from an area Greenville restaurant for every 10 prescriptions filled with BSOM Pharmacy Services. More information about the new delivery service and new promotion will be sent out via e-mail to all ECU Employees once the details have been finalized.

This program recognizes SPA, CSS, non-teaching EPA, and EPA employees at the college/unit level. The program provides recipients an award certificate and a $20.00 gift certificate to a selected ECU vendor.    Each college/unit chooses the recipients based on the following award criteria:
   - Leadership on the job
   - Customer focus
   - Business results
   - Quality of service
   - Cost effectiveness
   - Delivery of service to students, staff and/or alumni
   - Relationships fostered at work
