Staff Senate Human Resources Services Committee – February 21, 2008

Present: Roy Newton, Mark Parker, Christa Radford, Diane Rains, Teresa Tripp, & Richard Yakubowski

New Business
- The committee members independently reviewed the Personnel Survey Comments and selected the top items based on the number of times the comment appeared and those that they believed the Staff Senate could take action on in the near future. The group then combined these into a collective “Top 10” from the committee. The “Top 10” will be presented to the Staff Senate Action Committee and then to the entire Staff Senate for discussion. The “Top 10” are as follows (not in any particular order):
  1. Lack of understanding of Career Banding
  2. Lack of supervisor and manager performance and accountability in personnel management.
  3. Salary inequities
  4. Non-value of performance evaluations
  5. An easier method for dismissing non-performing staff
  6. Equity in the hiring process
  7. The Staff Senate needs to be a more informed and stronger voice; there is not enough interaction between staff senators and staff
  8. The cost of employee parking
  9. Classism and racism are more deeply rooted than most people want to either think or admit
  10. Review of employee benefits

- Christa Radford will replace Vickie Glover as the main campus Employee Advocate.
