Senator Ayers reported that a copy of the minutes from the August 19, 2010 meeting was distributed via email. Senator Harold Coleman called for a motion to approve the minutes. Senator Kim Wilson seconded the motion. There were no negative votes. The minutes of August 19, 2010 were approved as written.

I. Executive Committee Comments
A. Comments from Chair – Chair Phil Hulsey encouraged senators and alternates to introduce themselves and get to know the staff in their respective areas. Listen to their issues and facilitate communication within divisions. Mr. Hulsey also asked that the Committee Chairs
use the “Meeting Report” sheets when conducted a committee meeting. They are very easy to use and can really organize the meeting. In addition, he asked the committee chairs to send the goals of each committee in ASAP to Secretary Megan Ayers.

B. Comments from the Chair Elect – Chair-elect Mary Susan Williams offered assistance to the Committee Chairs and encouraged them to use her as a resource for issues stemming from committees.

C. Comments from the Treasurer – Senator Lisa Graepel reported that the Staff Senate currently has $2,500 in the budget, and an additional $1,500 from the Chancellor’s Discretionary account, for a total of $4,000 total allotment.

D. Comments from the Secretary – Senator Megan Ayers distributed a copy of the meeting dates and locations and also said that they were on the SharePoint site. Ms. Ayers also asked that everyone print their name on the roll sheet for name badge purposes. Lastly, the roll call is posted on the SharePoint site as well so check for accuracy and for informational purposes.

II. Committee Reports

Communications & Marketing – Mimosa Hines said there are 3 new Pirate Perks recently added 1. Sam’s Club, 2. AAA Plumbing, 3. Paden and Sons Landscaping. Look for the Staff Senate Quarterly coming out soon. In addition, the Communications and Marketing Committee will be updated the Staff Senate Website soon. Please see the attached Committee Report Form for a full summary.

Diversity – Marlene Anderson said that there hadn’t been a meeting, but they have been corresponding via email. She reported that the Diversity Committee has been invited to the Chancellor’s Diversity Council meetings. In addition, the Diversity Committee will be presenting their Diversity Report at the November Staff Senate Meeting.

Human Resources – Kendra Davis reported that the HR committee met last week and finalized their goals for the year. See the attached Committee Report Form and Goal Sheets for more details.

Rewards & Recognition Committee – Harold Coleman reported that the University is phasing out its Computer Loan Program and that this committee is working with ECU Surplus and with Human Resources to come up with another option to help staff have access to personal computers. Mr. Coleman also announced that the Health Fitness Walk will be October 19, 2010 from 12:00 – 1:00. There will be a few door prizes as well as health screenings. In addition, the Rewards and Recognition Goal Sheets are attached.

By-laws Committee Minutes – Derek Abbott reported that the By-laws committee has finalized the sections of the bylaws that needed to be revised and the committee will
forward a draft to the Executive Committee for review. Please see the attached Goal Sheets for the Bylaws Committee.

III. Old Business
A. Supervisor appreciate event – this item is tabled for now, but will be kept as an option in the future.

B. Staff Senate / Gail Jordan Scholarship update – John Toller gave the background of the scholarship. Essentially, to make the scholarship endowed, the Staff need to raise $25,000 in five years. Currently, there is $7,500 in the scholarship fund. The approach to raise the remainder of the funds is to have the Administration campaign for half the money and have the staff campaign for the other half. This is very achievable through payroll deductions and including this scholarship in the University Combined Campaign in the Spring. After the scholarship is endowed, the next step would be to determine the criteria for awarding the scholarship and marketing donors.

IV. New Business
A. John Chinn presented the Export Controls Policy. This is a risk management initiative that will protect the University. It’s basically a screening effort – every faculty member, staff member, student and vendor that does business with the university will be screened against various export “lists”. If there are any matching names, there will be a procedure in place to determine the next steps.

B. John Toller presented the proposed Holiday Schedule changes for 2011. The proposed change is to close the University for ten days, December 24, 2011 – January 2, 2012. This is an effort to be more practical in structuring vacation hours as well as saving the campus operating money during the holidays.

John Toler also addressed the Eat Less, Move More, Weigh Less Initiative, with the goal of helping employees become more fit. In July 2011, the BMI qualification goes into affect under the State Health Plan. There will be a lot of initiatives across campus to help employees meet those qualifications.

C. Current suggestions for community service projects are being accepted. Phil Hulsey has suggested Future Stars Soccer who need coaches, small groups to do Habitat for Humanity, Homeless Shelter, Hospital Volunteer work….send Megan Ayers any other suggestions the you would like to promote to the Senate.

V. Adjournment at 5:20 p.m.
