

The East Carolina University Staff Senate thanks everyone who took part in the Staff Appreciation Week April 11 – 15th. We had almost 2200 staff members enjoy their free meal during the week. We thank Chancellor Ballard and Vice Chancellor Niswander for making this event possible and their continued devotion to ECU Staff.

Thank you, our staff, for your continued contribution to East Carolina University. Your loyalty and hard work help make ECU a great place to work, teach and learn. We hope everyone enjoyed the different Staff Appreciation events and we look forward to making next year’s Staff Appreciation Week bigger and better.

The following individuals' names were drawn to win door prizes. ECU cares for the community we call home. In addition, we thank our local business community. It's evident that our business community values ECU by their generous donations and discounts.
